EDUCATION

BRIGHAM YOUNG UNIVERSITY

BFA in Illustration, Animation emphasis
BA in Music, Sound Recording emphasis
Minor in Film

Coursework included:

Storyboarding, 2-D and 3-D animation, special effects, art direction, pre and post production sound editing and design (including surround sound), production sound, production design, lighting, puppetry, directing, musical composition, video editing, cinematography, and photography.

EXPERIENCE

Saints & Soldiers (2003). I worked on the special effects crew, rigging pyrotechnic effects and bullet hits on bodies. I also participated as an extra (actor).

Finding Faith in Christ (2002). I worked on the special effects crew, creating practical effects (atmosphere, fire, and weather).

Scrubs, "My Coffee" (2006). I was an actor, portraying Darth Vader.

West Side Story (UVSC 1996). I was an actor, portraying Lt. Shrank.

I have been a free-lance sound engineer, artist, and graphic designer for the past 20 years.

imdb listing, <http://www.imdb.com/name/nm2685568/>

Special skills & qualifications

I am comfortable with both Mac and PC computers and have a working knowledge of Photoshop, Illustrator, Premier, Maya, Painter, ProTools, Flash, Avid, Media 100, and Power Point, to name a few. I have a basic understanding of HTML, and have some experience with web design. I also have a working knowledge of photography and publishing in both digital and traditional media/film.
